PROFESSIONAL SUMMARY

Civil Engineer and Senior Project Coordinator with more than 15 years of field experience in designing, coordinating, and implementing WASH, water, sanitation, livelihood, clean energy, and infrastructure projects in complex humanitarian environments. Strong experience in team leadership, coordination with local authorities and communities, budget and project management, technical studies, quantity surveying, reporting, and beneficiary-focused implementation.

KEY HIGHLIGHTS

- 15+ years of experience.
- 49 water projects.
- Managed or contributed to projects exceeding 13 million USD.
- Experience with Islamic Relief, SIDA, IR-USA, IR Canada, IRUSA, WFP-supported activities, and humanitarian field projects in Yemen.

CORE SKILLS

- WASH Projects Management
- Water Projects
- Solar Pumping Systems
- Livelihoods
- Cash for Work
- Engineering Supervision
- Field Team Leadership
- Community Coordination
- Beneficiary Reporting
- Technical Studies and Reports
- Quantity Surveying
- Contract Management
- MS Project
- AutoCAD
- Project Coordination
- Monitoring and Field Documentation
- Humanitarian Project Implementation

PROFESSIONAL EXPERIENCE

1. Project Coordinator - IGNITE Project

Islamic Relief - Yemen | July 2023 - Present | IR Canada - \$3,000,000

- Coordinate project activities with local authorities and communities to ensure community acceptance and organized implementation.
- Manage water-related projects including solar energy systems, water networks, and operational water tanks.
- Supervise engineering teams, consultants, and livelihood field teams.
- Manage small livelihood projects in livestock, agriculture, beekeeping, and entrepreneurship.

2. Project Coordinator - SIDA Project

Islamic Relief - Yemen | November 2017 - June 2023 | SIDA - \$7,000,000

- Supervised the rehabilitation of 49 water projects using solar-powered pumping systems.
- Managed a team including engineers, consultants, and field assistants across multiple locations.
- Supervised projects related to health facilities, schools, roads, water tanks, wells, and irrigation channels.
- Managed 750 small projects and trained beneficiaries on operation and sustainability.

3. Field Officer - ERRY Project

Islamic Relief - Yemen | July 2016 - November 2017 | IRUSA - \$3,352,800

- Supervised 72 diverse projects in water, livelihoods, and services sectors.
- Managed multiple field teams and monitored implementation quality according to approved plans.
- Prepared periodic reports supported by meetings and field documentation.

4. Field Officer - IR-USA Project

Islamic Relief - Yemen | November 2015 - June 2016 | IR-USA - \$452,000

- Prepared baseline surveys and identified intervention areas according to needs and priorities.
- Formed and trained community committees on monitoring and local accountability.
- Supervised rehabilitation works and field implementation.
- Ensured documentation of engineering and administrative processes during implementation.

5. Field Monitor - EFA Project

Islamic Relief - Yemen | August 2015 - October 2015 | WFP

- Managed 10 field assistants and followed up daily distribution plans.
- Supervised food basket distribution for 10,000 families monthly.
- Prepared periodic reports for management on progress and challenges.

6. Field Engineer - SNL Project

Islamic Relief - Yemen | May 2014 - August 2015 | WFP

- Identified water, sanitation, and cash-for-work intervention needs.
- Managed engineers and supervisors and reviewed implementation quality.
- Prepared technical and cost studies for 60 projects.
- Supervised construction and implementation works according to specifications.

EDUCATION

Bachelor's Degree in Civil Engineering

Thamar University

2003

CERTIFICATIONS & TRAINING

- Experience Certificate - 2024
- Bachelor's Degree in Civil Engineering - 2003
- ValueLinks Training - 2023
- Solar Pumping Systems - 2022
- PMD Pro 1 - 2021
- Proposal and Report Writing - 2021
- Microsoft Project - 2024
- Introduction to Financial Management - 2017
- Security Focal Point - 2015
